The cost is $5 per article. Articles will be mailed within 5 business days; if you need faster service, check off the "Return by fax" option on the order form.

This index is arranged in two sections:

Subject section

Subject headings are those used in the Cumulative Index to Nursing and Allied Health Literature (CINAHL), supplemented by the language style of *Nursing97*. The feature articles are shown in bold type. An abbreviation in parentheses after the title indicates a regular feature, a special series of features, or an editorial department. The month of issue and page number then follow.

PLEASE NOTE: This is an index to the U.S. version of *Nursing*. Articles appearing after p. 64 are not published in the international edition. These articles are interspersed with advertisements aimed at the U.S. audience; prohibitive printing, postal, and shipping costs make offering these pages to our world subscribers impossible. We apologize for any inconvenience this may cause.
